EVENT ENGAGEMENT NAME TAG

Name tags are vital in almost every type of event or business. Sadly, they are often dull, lifeless, and easily ignored. JabberYak is changing the game by making them engaging, fun-to-wear, and personalized.

DATA ANALYTICS REPORTING

Use data analytics to create a personalized experience for your event participants and increase engagement, networking, and overall satisfaction. Event participants are more likely to remember and recommend an event that was tailored to their personal interests.

sales@jabberyak.com

MOBILE SCAVENGER HUNT

Get your event participants to engage and learn something about each other by finding others with certain interests at the event.

sales@jabberyak.com

JABBERYAK CONNECTNOW

An event networking app that enables individuals who are attending the same event, conference or at the workplace to connect based on common interests.

sales@jabberyak.com
